

## Pick of the Wine Show (cont.)

variety. A blend of fruit from the cool Padthaway region in the heart of the Limestone Coast and the South Australian Riverland area.

**Voyager Estate 'Girt By Sea' Cabernet Merlot 2008** (Gold Medal, Class 36): Voyager Estate are a Margaret River winery which has an excellent reputation for their various red as well as their white wines. They are a James Halliday 5-star winery with many awards and wine show accolades; and also collected a Gold Medal in the Shiraz class.

**Houghton Shiraz 2009** (Gold and Trophy, Class 25): Another Western Australian red, Houghton holds Western Australia's highest tally of awards on the National Wine Show circuit, and their range of wines have long been popular with wine lovers across the country. This wine collected the Trophy for 'Best Red Wine Under \$20' and really is exceptional value for money.

**Leasingham Jam Shed Shiraz 2009** (Gold, Class 25): The iconic Leasingham cellar door in the Clare Valley has unfortunately recently been closed due to cost constraints, but they are still producing some excellent reds from the vineyards there. This is a rich full bodied Shiraz; which could be cellared for up to six years if you wish.

**St Hallett Gamekeepers Reserve Barossa Shiraz Grenache 2009** (Top Gold, Class 44): St Hallett Wines in the Barossa Valley have built an enviable reputation for their red wines over many years, and have now collected Top Gold in the Adelaide Wine Show with this new vintage of their very popular blend.

**Anvers 'Brabo' Shiraz Cabernet 2009** (Bronze Medal, Class 38): Anvers Wines are a family owned McLaren Vale producer established and run by Wayne and Myriam Keoghan, with Master of Wine Kym Milne at the helm of the winemaking operation. An excellent example of the classic Australian red blend.

**Blue Pyrenees Cabernet Sauvignon 2009:** (Gold, Class 22) The Victorian Pyrenees region is renowned for producing Cabernet Sauvignon displaying complexity, concentration and definitive regional character, especially in years like the 2008-2009 growing season, which provided ideal rains early and a cool spring. This one can be enjoyed now or cellared with confidence for eight years. Also just collected a Gold Medal at the National Cool Climate Wine Show.

This is another excellent range of wines chosen exclusively for our wine club members, which will be carefully packed and delivered to your door via Australia Post. Each dozen comes with tasting notes which include food matching and any cellaring recommendations.

As is the generally the case, some of the wines in this selection are on a very limited allocation (for example, the back vintage trophy-winning Tahbilk Marsanne is now in very short supply), so we will notify you in our next newsletter which of the wines you will be able to purchase by the full case.

Alternatively, please give us a call on 1800 069 644 or check the website for updates.

## And our Celebration Mix selection:

With yet another Christmas and New Year period only a few weeks away, we have put together another interesting new six bottle mix.

Three excellent sparkling whites, two sparkling reds and a crisp but fruity Kiwi Sauvignon Blanc to see you through the festive season!

**Babbling Brook Sauvignon Blanc 2009 (New Zealand)**  
**Pierlant Blanc de Blanc Sparkling N/V (France)**  
**Catching Thieves Sparkling Sauvignon Blanc N/V**  
**Bird in Hand Sparkling Pinot Noir N/V**  
**Mt Jagged Sparkling Red N/V**  
**Fox Creek Vixen Sparkling Red N/V**

Another great value tasting kit, and **only \$99** for the six-bottle pack.

And we now have the latest vintage of the **McWilliam's "Select Series"** range of wines available, which includes the following varieties:

**2009 Chardonnay**  
**2009 Semillon Sauvignon Blanc**  
**2009 Cabernet Merlot**  
**2009 Shiraz Cabernet.**

Along with the cleanskin range from Currency Creek and the Clare Valley Shiraz on Page 3, these wines have been very popular with our wine club buyers; and are great value for money as quality everyday drinking wines.

Also, we normally have a few cases of **'Rats and Mice'** and **'Premium Mystery Dozens'** available which include some of the wines on this price list and leftovers from previous Mixed Dozens. As most of you would know by now, some may

have slightly damaged labels but they are all sound wines, often with Wine Show medals or other various third party endorsements of quality.

They are available as Mixed, All Red and All White dozens. *Please order on the back page.*

Congratulations to Wayne McKeen, who is the lucky winner of the magnum of **Rufus Stone Heathcote Shiraz**. We have another one of these to give away this newsletter for all wine club orders received by 10th December.

To view any extra pre-Christmas specials, or some small quantity deals we may have to offer you, please subscribe to our email newsletter service at [www.wineloversclub.com.au](http://www.wineloversclub.com.au) but make sure you confirm by email when prompted, as the system requires it for security purposes.

As 2010 draws to a close, Rob and Gwen Mayne are enjoying semi-retirement in their new home in the Adelaide Hills, and I often pass on best wishes to them from our regular Wine Club customers. So we would like to wish you all a great festive season, and look forward to being of service once again next year.

Please feel free to email or give me a call anytime you have any queries or special wine requests. The phone may sometimes go to a voicemail service, but your call will always be returned within a few hours.

All the best, and happy drinking,

**Phil Buxton**

November 2010
